AND NOW, this *2nd* day of *May*, 2007, after the plaintiffs filed a purported class action complaint in the above-captioned case, and after the defendant submitted a motion for summary judgment, and after a Report and Recommendation was issued by the United States Magistrate Judge, and the parties were granted thirteen days after being served with a copy to file written objections thereto, and no objections having been filed, and after independent review of the pleadings, and the Magistrate Judge's Report and Recommendation, which is adopted as the opinion of this Court,
